The projected screen displays a software interface for a free app developer tool. At the top, it identifies the provider as 'The Intellectual Property Provider' and '皮托科技股份有限公司'. Below this, the title reads '免費APP開發器 - 知識共享與管理!!'. The main content area shows a 3D architectural rendering of a building, likely representing a virtual environment or a specific application feature. The interface includes various panels and controls, typical of a development or management tool.
